

Team Building Activities

Spotlight Entertainments draws on its team of facilitators and specialist entertainers to bring your organisation a tailor made team building event. Our team building activities help to develop communication skills, reinforce team spirit and encourage creativity, in the context of an enjoyable day. We can arrange anything from a magic workshop for 10 directors to a day of outdoor activities for several hundred colleagues. We are always happy to work with your chosen venue, or can suggest venues for specialist activities. Spotlight Entertainments has been in business since 1993, and has become known for its efficiency, reliability and friendly service.

Creativity

Team members' artistic and creative skills will flourish in a fulfilling range of projects:
